

Nomination for Fellow of the Society

The Board of the Australian Society of Viticulture and Oenology (ASVO) elects Fellows from among its Members who have made a particularly outstanding and meritorious contribution to the grape and wine industry. The purpose of the honorary membership category of Fellow of the Australian Society of Viticulture & Oenology is to recognise the exemplary contribution by a Member to the Society and to the discipline and/or profession of Viticulture and/or Oenology.

To be nominated as a Fellow, a Nominee must be a Member who is a natural person. Criteria for the honorary membership category of Fellow are set out in Clause 6.4 of the ASVO Constitution.

In summary, a Nominee must satisfy the Board of Directors that he or she meets the following three criteria:

1. Has achieved at least 10 continuous years of full membership at the time of nomination.
2. Has made a substantial contribution to the industry through activities that reflect the aims and activities of the ASVO.
3. Have made a significant positive impact on the public and the Industry

The ASVO Fellows Committee will consider all eligible nominations for the honorary membership category of Fellow of the ASVO and will recommend nominees for election to this membership category to the Board of Directors on an annual basis.

The ASVO Fellows Committee is appointed by the ASVO Board of Directors each year and consists of one current ASVO Director who will act as the Committee Chair, and at least three ASVO Fellows (who are not members of the current Board of Directors). The Fellows Committee is formed with due regard to the balance of gender, geographical location, and expertise in research, academia and practice.
